***Fabulous Friends*** Join our incredible Friends group when they meet at 1 p.m. Jan.17 to plan fundraisers in support of our library, both current operations and building fund. This amazing group of volunteers has pledged \$30,000 toward the naming of the Friends Room.

We ❤️ our Old Mission Community!

***“Without libraries, what do we have? We have no past and no future.”*** Ray Bradbury

Libraries are the gathering place across America. Contrary to trends predicted a decade ago, libraries have reinvented themselves into places for education, entertainment, information, technology and social interaction. Libraries ARE the heart of the community. The love all of you have shown for the future of PCL is incredible. Over 450 gifts and pledges have been received to date, including grants from Acentek for projector technology and the Grand Traverse Regional Community Foundation. Tom’s Food Markets has generously sponsored both our children’s and teens’ areas with a gift of \$155,000. Christy Kuhnke, Tom’s president, says, “We are honored and proud to fund the new Peninsula Community Library Children’s and Teens’ areas. Our leadership giving remains constant...with an emphasis on enriching the lives of children in our area and supporting various avenues to help create a bright future for them.” We stand at almost \$1.7 million toward our goal of \$2.5 million. Our community is making good things happen!

Support your library with a tax-deductible donation to our **building fund**. Checks payable to PCL.
