***Building the  of the Community***

The plans are done, the bids are out, the interior designers are busy at work: we are ready to break ground. All we need now is your support in bringing us to the homestretch in our fundraising campaign toward a new building. Thanks to you, we have raised close to \$2.1 million. We still need \$400,000 more. Please pledge or gift today. Call the library to find out how to donate IRA proceeds or stock. You are going to LOVE the new library!
