Building the  of the Community

The ground is broken and work on our library of the future is happening now. Thanks to you, we have raised \$2.2 million. We still need \$300,000 more to complete our project by June 2019. Please give today. YOU can make a difference in your community! Give today and be a part of this gift to the future of Old Mission. Call the library to find out how to donate IRA proceeds or stock. You are going to LOVE the new library!

“Civilized nations build libraries; lands that have lost their soul close them down.”
